Norway Has Made the Test.

Norway People Will Get the Benefit

There's nobody in Norway any better known than C. E. Bradford and in giving his experience with Doan's Kidney Pills, for the benefit of Norway kidney sufferers, he has nothing whatever to gain.

Why experiment with unknown or imitation kidney remedies when you have such a good reason to try Doan's?

Profit by the test Mr. Bradford has made for you.

C. E. Bradford, prop. laundry, Main street, Norway, says: "At times I had a full pain through the small of my back, together with a tired feeling. I couldn't rest well. I got Doan's Kidney Pills at Stone's Drug store and after using two boxes the pains left and I was greatly improved in every way. I have had no kidney trouble since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Bradford had. Foster-Milburn Co., Props., Buffalo, N. Y. 24-25

COMMON AILMENTS

How to Treat Them

A village doctor once said: "If my patients would take care of their little ailments, they would seldom need me for a serious illness." A headache, a disturbed stomach, a bilious attack, a little indigestion, or a cold in its first stages, are not serious in themselves; the danger is in what they may lead to. Many New England people have found a sure remedy for these common ailments in "Dr. F. Atwood's Medicine." They say it is like having a doctor in the home. Your family needs it. Just say "L. F." to your druggist. He will understand what you mean; he has calls for it nearly every day.

Buy a 35c bottle at your nearest store, or write today for a free sample. FREE—On receipt of a yellow outside wrapper with your opinion of the medicine, we will send one of our Needle Books with a good assortment of high grade needles, useful in every family.

FRYEBURG

Maria L. Chandler

Maria L. Chandler met with a painful accident, May 15, by falling and fracturing her hip from which she never recovered, passing away on May 31st.

She was married to Moses Chandler, June 26th, 1874 and has lived in Fryeburg since her marriage with the exception of a year and a half spent in Norway caring for her sister, Mrs. C. E. Holt.

She lived alone since the death of her husband some 17 years ago, and has been remarkably smart for a lady of her age, holding out in mind and body until she got hurt.

Services were held at her late home, Friday, Rev. B. N. Stone officiating. W. H. Tarbox, W. R. Tarbox and William Gordon attended. Mrs. Chandler was a very estimable lady and will be greatly missed in the neighborhood, where she has resided for many years. Mrs. Chandler taught school several years before her marriage.

Mr. and Mrs. Dustin, who have lived in this vicinity for the last four or five years, left Saturday to make their home near relatives in Michigan. Mr. and Mrs. Dustin have made many friends since coming to Fryeburg, who regretted exceedingly to part with them and they also regretted to part from their many friends. Mr. and Mrs. Dustin were both musical and were very hospitable and entertaining and the good wishes of all who had the pleasure of knowing them go with them to their Western home.

John Hutchings and wife were to go to the graduation Monday. Their oldest daughter, Mollie, is in the graduating class.

WHAT CATARRH IS

It has been said that every third

person has catarrh in some form.

Science has shown that nasal catarrh

often indicates a general weakness

of the body; and local treatments in

the form of snuffs and vapors do little

if any good.

To correct catarrh you should treat its

cause by enriching your blood with the

oil-food in Scott's Emulsion which is a

medicinal food and a building-tonic, free

from alcohol or any harmful drugs. Try it.

Memorial

May 31st, was observed here as Mem-

orial day. The weather was all that

could be desired, and the attendance the

largest that this little "way back" bur-

ough had ever witnessed. Over 400

people being present. The veterans of

the Civil war, mustered 15 in uniform, the

Sons of Veterans and the Woman's Re-

lief Corps were in great numbers, and

the teachers and scholars paraded in full

force, in the days' procession.

During the forenoon, all the graves of

the soldiers were appropriately decora-

ted with flowers and flags, by a detail of

G. A. R. men and the Relief Corps and

children scattered flowers on the village

stream and mud pond, in memory of the

naval heroes who were killed and drown-

ed during the war.

Two hundred and fifty people were fed

at the house, by the W. R. C. and a

great task it was for the few loyal wom-

en, who prepared the feast, and did the

necessary work.

In the afternoon exercises were held

in the little church, which was crowded

to overflowing. The exercises were of

the people were intensely interested in

the program, which comprised a fine variety

of recitations, songs and flag drills by

the children; and appropriate music by

the quartet.

The address of the day was by Lieut.

H. D. Littlefield, who was well received,

and highly commended upon, as most ap-

propriate in its memorial reference to

the Civil war, record of the town; and to

its soldiers who fell in battle and died

from disease, and the hardships of war

service.

The Lieutenant also devoted a great

share of his talk to the teachers and

scholars of the public schools, giving

them a pageant of the National flag;

which also included several anecdotes of

personal experiences in his three years

service and incidents showing how the

flag is used in actual battle lines, and

how the men were shot down and kill-

ed, and wounded, while carrying the

colors, and placing them in the extreme

advance. The children were especially

impressed with the lesson, and the pur-

pose of the address.

In the forenoon, during the past year,

one of the charter members of the Post

Albert Littlefield was the last to be mus-

tered out of this life's service. Com-

rade Littlefield enlisted at the first call

for three months troops, in 1861, he re-

enlisted in the 10th and 29th Maine

Infantry for the war, and was badly

wounded, carrying a leaden rebel bullet

in his body, as a badge of his bravery till

the time of his death.

"Me for 'GETS-IT'" When I Have Corns"

Simple As Saying It; Never Fails.
It does your heart good to see how easily and quickly any corn comes out when you put "GETS-IT" on it. And then when you've gone along for years trying

"Look, 'GETS-IT' Makes Corns Fall Right Off!"
everything, when you've sat up nights wrapping up your toes in bandages, smearing on salves that rub off or swell up the corn, pasting on cotton plasters that make corns pop-eyed, slaughtering your toes with razors, jabbing them with knives and prunings to the quick with scissors—and then you put on 2 drops of "GETS-IT" and see your corn fall right off—why, it then looks like a miracle. Just try it. "GETS-IT" never fails. No pain, no trouble. Use it for any corn, callus, wart or bunion.
"GETS-IT" is sold by druggists everywhere, 25¢ a bottle, or sent direct by E. Lawrence & Co., Chicago.

Alfred Sanders Kimball.

(Remarks of Hon. James S. Wright, at the
funeral services of the Oxford Bar at Rum-
ford, May 11.)

Alfred Sanders Kimball, an honored
member of this Bar, died at his home in
Norway, Monday, April 12th, of chronic
nephritis. He was born in Waterford,
December 20, 1842. He attended the
common schools of Waterford in his
youth, and was graduated from
Bridgton Academy at North Bridgton, in
1862, was admitted to the Oxford Bar in
1864, and opened a law office in his
native town, Waterford, practicing there
till 1882, when he moved to Norway,
where he continued the general practice
of law to the date of his death, being a
full half century. Yet at the date of his
death he was, in a certain sense, in the
prime of life. He was in full possession
of all his mental faculties until within a
day or two prior to his decease; and was
one of the most faithful, honest and in-
dustrious attorneys of the bar.

Mr. Kimball was not what would be
regarded as an advocate, although when
he argued cases before the court, it was
done in a clear, concise and convincing
manner. He was a good counselor.
His main effort was to keep his clients
out of litigation, and when they got in-
volved, to get them out as cheaply and
safely and consistently as possible.
These habits and this style of practice
brought many clients to him, and he
soon won a reputation for honesty, in-
tegrity, and fair dealing. He was always
modest and consistent in his charges to
clients, and no person, to my knowledge,
ever had occasion to find fault with any
of his acts or any of his dealings with
his fellows or with his clients.

Mr. Kimball was very prominent in
fraternal orders. He had received the
highest degree in Masonry, being the
only thirty-third degree member in Ox-
ford County. He was made a Mason in
Oxford Lodge in 1864; was a charter
member and the first Senior Warden of
Mt. Trem Lodge in Waterford, which
was chartered in 1865, and served many
years as Master. He was also Grand
Master of the Masons in Maine in 1902
and 1903, and succeeded Hon. Josiah H.
Drummond as chairman of the Grand
Lodge Committee on Masonic jurispru-
dence, serving from that time until his
death. He was a member of the Royal
Arch Chapter at Cornish; a charter
member and first High Priest of Oriental
Chapter at Bridgton, and later trans-
ferred to Oxford Chapter at Norway.
He was also Past Grand Scribe of the
Grand Chapter of Maine, and President
of Maine Council of High Priesthood
since 1903, and Past Grand Master of the
Grand Council of Maine.

In Odd Fellowship he reached the
highest position in the Order in Maine,
being Grand Master in 1889, and was for
a long period of years Grand Represent-
ative of the Grand Encampment of
Maine to the Sovereign Grand Lodge,
and at the time of his death was the
chairman of the leading committee in
that body. As Grand Representative he
had occasion to visit quite extensively
in different parts of the country, and
he and his wife visited many of the So-
vereign Grand Lodges.

In politics he was a Democrat; and
taking into consideration the fact that
the Republicans have been the dominant
party in Maine for the past fifty years,
with one or two exceptions, Mr. Kimball
had held numerous important offices.
He was representative to the Legisla-
ture in 1874, 1876 and 1878; was county
attorney from 1880 to 1882; was deputy
collector of internal revenue under Pres-
ident Cleveland's first administration,
and appraiser of customs at Portland
under President Cleveland's second ad-
ministration; and in 1911 and 1912 was
a member of Governor Plaisted's Council.
During his residence in Waterford he
was a member of the board of select-
men, and treasurer of that town; and for
more than forty years he was moderator
of the town meetings in Waterford and
Norway, and at the time of his death
was president of the Norway Savings
Bank, and intimately identified with
many other industries in his adopted
town.

Brother Kimball was a living illus-
tration of that manly pluck and perse-
verance that the common sense of the
struggle with adversity and misfortune,
the victor; and an example of the coun-
try farmer's boy who, by industry and
self-reliance won an honorable place at
the bar and a foremost place in the great
order of Masonry, having reached the
highest honor that the order can be-
stow.

Not favored with the rich gifts of in-
heritance, but in the humble and modest
walks of life he was early taught the in-
fluence of industry and good character,
yet always possessed that modest and
retiring disposition which endeared him
to a large mass of the common people.
While he was at the head of two of the
most prominent secret orders in the
state, and prominent at their national
councils, at the last sad rites no bands
of music, no marching and parade of
those secret orders to which he belong-
ed formed a part of the funeral service,
but in full accord with his oft expressed
wishes, the services were in keeping

WOMAN COULD HARDLY STAND

Because of Terrible Back-
ache. Relieved by Lydia
E. Pinkham's Vegeta-
ble Compound.

Philadelphia, Pa.—"I suffered from
displacement and inflammation, and had
such pains in my
sides, and terrible
backache so that I
could hardly stand.
I took six bottles of
Lydia E. Pinkham's
Vegetable Com-
pound, and now I can
do any amount of
work, sleep good, eat
good, and don't have
a bit of trouble. I
recommend Lydia E.
Pinkham's Vegetable Compound to
every suffering woman."—Mrs. HARRY
FISHER, 1225 Doughton St., Nicetown, Pa.

Another Woman's Case.
Providence, R. I.—"I cannot speak
too highly of your Vegetable Compound
as it has done wonders for me and I
can't be without it. I had a dis-
placement bearing down on my back,
until I could hardly stand and was thor-
oughly run down when I took Lydia E.
Pinkham's Vegetable Compound. It
helped me and I am in the best of health
at present. I work in a factory all day
long besides doing my housework so you
can see what it has done for me. I give
you permission to publish my name and I
speak of your Vegetable Compound to
many of my friends."—Mrs. ABEL LAW-
SON, 126 Lippitt St., Providence, R. I.

Danger Signals to Women
are what one physician called backache,
headache, nervousness, and the blues.
In many cases they are symptoms of
some female derangement, or an inflam-
matory, ulcerative condition, which may
be overcome by taking Lydia E. Pink-
ham's Vegetable Compound. Thousands
of American women willingly testify to
its virtue.

BOLSTER'S MILLS

A Birthday Surprise

On Wednesday, June 2nd, several
neighbors gathered at the home of
Mrs. J. Elmer Thomas and from there
went to the home of Mrs. J. Wendall
Weston's and gave her a very pleasant
surprise, it being the occasion of her
68th birthday.

After a while spent in social chat, the
ladies proceeded to the dining room and
prepared a bountiful feast of coffee,
sandwiches, fancy cakes, tarts and ice
cream and cake. The table was illumin-
ated with candles and a very pleasant
hour was passed, each one showed their
appreciation of the good things set be-
fore them.

After the table was cleared all repair-
ed to the sitting-room and each told stor-
ies and jokes.

On account of the lateness of the hour
it became necessary to adjourn to their
several homes which they did after wish-
ing Mrs. Weston many happy returns
and thanking Mrs. Thomas for her kind-
ness in preparing all the good things for
the occasion.

John Ingersoll and wife recently motor-
ed to Winthrop.

Estella Bolster, who has been working
in Bridgton, has returned to her home.

Mrs. Fred Bolster recently visited her
daughter, Mrs. French, at North Newry.

Lyman Sheld has a new automobile.

Melville Wilbur and wife of Norway
accompanied by friends attended the
Eastern Star meeting on Tuesday eve-
ning.

Mary Perry of Norway Lake is passing
a few days with relatives in this place.

There was a Concert company perform-
ed at Grange hall on Friday evening.

The Masonic lodge entertained a large
delegation of visitors at the last session,
mostly of Poland, including the Rick-
ers.

Pomona Grange

Oxford County Pomona Grange was
entertained by Crooked River Grange on
Tuesday, June 1st. There was a large
assembly, the following granges being
represented, South Paris, Norway, West
Paris, Franklin of Woodstock, Swe-
Mountain, Round Pond, Waterford, Bear
den, Frederick Robie, Lakeside and
Crooked River. Seven candidates were
given the Pomona degree, four from
South Paris, one from Norway, two from
Crooked River grange, Bolster's Mills.
The degree work was well performed,
Worthy Master J. H. Edwards being
especially impressive in his addresses.
All officers were present, excepting the
overseer and chaplain, whose places were
filled by H. E. Jilison and Rebecca Sheld,
respectively. Dinner was served at noon
to a big company and all appeared to
heartily enjoy that part of the program.
The afternoon session was opened by W.
M. Edwards. The following program
was announced by the Worthy Lecturer,
Rebecca Sheld; response, Worthy Lectur-
er, Ryerson; Welcome to the ladies of Crook-
ed River Grange; address of welcome,
er, Ryerson; song, Winnifred Walker;
encore; question: What is the most profit-
able crop to raise to feed milk cows?
answered by H. E. Jilison, followed by
many others from the various granges.
Then followed a song by Crooked River
Grange choir; reading, Winnifred Walk-
er.

sisted of evergreens and paper flowers.
The next session will be held at North
Buckfield.

The regular session of Crooked River
Grange on Saturday evening was a very
enjoyable occasion, the grandmothers of
the order furnishing a program, and
dressing in old fashioned costumes, in-
cluding in old fashioned clothing and a
dead, others wore ancient costumes, in-
cluding in old fashioned clothing and a
funny sight they made. The following
program was given: Instrumental solo,
Lizzie Edwards; encore; reading, Labelle
Warren; song and tableau; reading,
Elizabeth Scribner; illustrated song, an
old fashioned dance and the closing num-
ber, song, "The Oldtime Religion."

Lunch of Johnny cake and milk with salt-
ed fish was served in the dining hall. The
usual social followed and a merry time
was enjoyed throughout the entire eve-
ning. This was an innovation in the
grange program and certainly proved
unique.

At the last session of the O. E. S. there
was a brief program, readings by Alice
Wilbur and Elizabeth Scribner and stor-
ies, they all united in singing several
songs. Lunch was served after the ex-
ercises.
